# Land Acknowledgment

"Acknowledgment is a simple, powerful way of showing respect and a step toward correcting the stories and practices that erase Indigenous people's history and culture and toward inviting and honoring the truth."

https://usdac.us/nativeland

CDP's Land Acknowledgment is inspired by Dawn Knickerbocker, Native Americans in Philanthropy.

#### GOALS

# At the end of the webinar, funders will:

- 1. Be aware of the philanthropic trends stemming from the COVID-19 pandemic.
- 2. Increase their knowledge of pandemic planning in a philanthropic context.
- 3. Consider their plans moving into year four of the pandemic and the need to address root cause issues.

Migrant Clinicians Network

## Clinicians...

- 3 x more likely to be infected than the general population
- Expected to put their lives and the lives of their families at risk
- Limited PPE
- No airborne pathogen standard
- Moral injury

# Migrant and immigrant workers...

- "Essential" workers
- Farm and food workers on the front lines of the pandemic
  - Few protections
- Case and death rates in Latino and Black communities 2-3 X more than White communities

# Emerging mental health needs in the pandemic:

- 25% increase in anxiety and depression globally in the first year
- 1in 3 US adults reported stress, anxiety, and great sadness
- Increased substance use and overdoses
- Growing youth mental health crisis

## Contributing Factors:

- Grief and trauma
- Social isolation
- Stress
- Milestones lost

### Two top emotions facing Americans are:

- Loneliness
  - Loneliness was on the rise pre-pandemic
  - o **36%** of all Americans and **61%** of young adults feel serious loneliness.
- Exhaustion
  - Workplace burnout is increasing.
  - Caregivers, teachers, and healthcare workers are particularly vulnerable.

# Funders can help by integrating mental health into their funding strategy:

- Social connectedness and strong relationships are key protective factors.
- Support programs where people find connection and identity, e.g. through religion, culture, athletics, and recreation.
- Support the integration of mental health into those spaces.
  - o e.g. youth-serving organizations, culturally-led mental health programs

# MIGRANT CLINICIANS NETWORK What we did

- Thought leadership
- Translating science for frontlines clinicians
  - National panels, webinars, podcasts, Facebook live (Bilingual)
  - 70 national learning events, reaching over 5,000 stakeholders
- Creating culturally contextual resources in three languages - 263
- Speaking to the media
- Blogging
  - Published 112 blogs
- Social media 4,500+ followers

2020-2021

# Looking ahead...

- Hyperlocal focus shouldn't be lost
- Importance of CHWs
  - Support and technical assistance
- Building trust
  - Science
  - Recovering from moral injury
- Universal health care access
- Workplace protection

## Funders can help strengthen our mental health system by investing in:

- Traditional clinicians
- Paraprofessional, peer, and community workforce
- Systems and structures that support mental health
  - o e.g. disability leave, paid parental leave, and flexible work policies
- Mental health parity
