Land Acknowledgment

“Acknowledgment is a simple, powerful way of showing respect and a step toward correcting the stories and practices that erase Indigenous people’s history and culture and toward inviting and honoring the truth.”

<https://usdac.us/nativeland>

CDP’s Land Acknowledgment is inspired by Dawn Knickerbocker, Native Americans in Philanthropy.

GOALS

At the end of the webinar, funders will:

1. Understand the different immediate and long-term needs in urban and rural communities.
2. Learn about how pre-existing inequities affect outcomes for recovery.
3. Increase their knowledge of tornadoes and how they can support communities to prepare for, respond to and recover from these devastating disasters.
