Land Acknowledgment

“Acknowledgment is a simple, powerful way of showing respect and a step toward correcting the stories and practices that erase Indigenous people’s history and culture and toward inviting and honoring the truth.”

<https://usdac.us/nativeland>

CDP’s Land Acknowledgment is inspired by Dawn Knickerbocker, Native Americans in Philanthropy.

GOALS

At the end of the webinar, donors and grantmakers will:

- Understand the distinctive immediate and long-term needs in an island setting.
- Learn about how pre-existing inequities will affect outcomes for recovery.
- Increase their knowledge of Hawaii's unique characteristics and how funders can help maintain them during recovery.
